A pair of dark grey women's hiking boots with red and black laces and a rugged sole. The boots are shown from a side-on perspective, highlighting the lacing system and the thick, treaded sole. The text "GET A GRIP" is written in large red letters at the top, and "NAVATEX" is written in white letters below it. The word "WOMEN" is written in large white letters at the bottom left. A small tag on the side of the boot reads "WATERPROOF".
